# CAMPS, CLINICS & CHOREOGRAPHY

The time is approaching for you and your teams to start planning and booking for tryouts, camps, clinics, choreography, etc. Good news! We at Southern Heat All Star Cheerleading are here to help! We have a variety of staff with extensive knowledge and background in the cheerleading industry. Our staff includes National Champions, Collegiate National Champions, State Champions, National Champion Coaches/Choreographers, State Champion Coaches/Choreographers....just to name a few. With our knowledge and resources, we are a perfect choice for you and your team(s). We would love to have the chance to work with your team(s) and take you to the next level. Below are a few options of some services we can provide for you; although, we aren't limited to just these. Anything is possible!

## TECHNIQUE CAMP

This camp is a focus on STUNTS, JUMPS, MOTIONS, & TOSSES. With a sole focus on the technical side, this camp is designed to help take your team to the next level competitively or on the sideline.

## SKILLS CAMP

This camp is a focus on all aspects of skills. A strong combination of stunt technique and skill levels. Not only is this camp bettering the technical side but also increasing skill and teaching a variety of new skills for your team.

## CHOREOGRAPHY

Our choreographers possess an extensive knowledge backed by years of experience. With a knowledge of score sheets, skills, techniques, innovation, creativity, visuals and more, our choreographers can offer a routine that will be remembered by all. We offer many different kinds of choreography from traditional routines, competitive gameday, sideline, pep rally, dance, and more.

## TRYOUTS

The tone for the year always is set at your tryouts. Need help? We can offer full tryout organization (teaching tryout material, scoresheets, procedures, judges, etc.) or if you simply just need judges. We can offer you it all and help you tryouts be the best ones yet. We have a huge resource pool and a huge bundle of knowledge. We can be sure that your best team is formed.

## TUMBLING

Need to excel in your tumbling skills and take your teams skills to the next level? We are here to help. We can offer you anything from tumbling camps to team classes. Have a specific day for tumbling? Let our tumbling coaches come and work with your athletes.

## GAMEDAY

Sidelines are such an important part in the sport of cheer. We can help variety of different elements to ensure that your team's and school's gameday experience is like no other. With a strong background in gameday cheer from pee-wee to collegiate cheer, we are sure we can provide the best knowledge to better your team.

We hope your team will consider us for your cheerleading needs. If you have any questions or what to know more about your options, feel free to contact me personally (my email and phone are listed below). We would be honored to have the opportunity to work alongside your coaching staff to better you team in any and every aspect. Thank you for taking the time to look over the above. Our 2020-2021 calendar is filling up quickly. If you are seriously interested in moving forward, I would be happy to assist you further and begin getting a quote specialized for your team. With our competitive pricing and extensive knowledge, we can assure that we would be a great fit!

Thank you,
